

# Changing Lives For 50 Years

Join a select group of 50 community members dedicated to providing miraculous, life-saving services at Nexus.

Your commitment to the 50 for 50 Campaign will ensure women seeking sobriety and long-term recovery from substance use disorder have a safe place to turn in the future. By being a part of our mission, you are saying change is possible, grace is available for those that seek it and resilience can overcome addiction and despair.

You are giving children back their mothers' love and protection, offering parents back the daughters they long to reconnect with, and providing the world with strong, grateful women that will serve and lead others. The gifts we receive through the 50 for 50 Campaign will help provide Security, Dignity and Community.

## How will your commitment help the women at Nexus?

### Security

Nexus takes safety and privacy very seriously. Our secured campus provides women with a safe environment for focusing on treatment and sobriety without worrying about childcare or the welfare of their children. We want to protect the brave women who have overcome addiction, and we believe our clients' courageous stories are solely theirs to tell.

### Community

Successful long-term recovery must include community. Nexus is a community of dedicated staff members, many in recovery themselves, working hard to give back the gift of sobriety that they were given. Our valuable staff members should never have to choose between their passion for serving women and children or taking care of their own families. We understand that taking excellent care of the Nexus community is vital if we are to remain a strong, successful organization for years to come.

### Dignity

Reaching out and asking for help requires an amazing amount of humility for these struggling women. Nexus strives to meet these requests with dignity by providing comfort, new clothing, toiletries, three daily meals, and a safe place for them to live and recover. Treating these ladies with dignity establishes the foundation for them to begin their journey toward restoration and recovery.
